

REMARKS/ARGUMENTS

Claims 1, 3 and 6-35 now stand in the present application, new claims 33-35 having been added by this Supplemental Amendment. More particularly, Applicants have added new dependent claims 33-35 which recite that the "said events are exceptions or interrupts" to depend from each of independent claims 1, 30 and 31. The newly added dependent claims have been added to more completely define Applicants' inventions. Support for the amendments can be found at, *inter alia*, page 30, lines 21-22 of the present specification.

Respectfully submitted,

NIXON & VANDERHYE P.C.
